

VIDEO DETAILS

Video 1 - The Facts

<https://vimeo.com/919443958/956de07624?share=copy>

In this video, we will discuss the major concepts you need to know about Human Trafficking, define it, and how it affects you and those around you. By the end of this video, you will have a foundation of knowledge about Human Trafficking.

Video 2 - The Misconceptions

<https://vimeo.com/919443153/cdfd16600e?share=copy>

In this video, we will discuss the most important steps in educating yourself about human trafficking: addressing any misconceptions you may have about the issue. We will address four major misconceptions many teens hold about this issue.

Video 3 - The Why

<https://vimeo.com/919441822/34ff71ca8e?share=copy>

In this video, we will talk about how Human Trafficking is a prevalent issue targeting teens that is frequently ignored and forgotten. The lack of conversation about this vast threat is making teens increasingly vulnerable to trafficking. In this chapter, we will discuss how Human Trafficking is relevant in your city and why it is essential to understand and be aware of the warning signs of Human Trafficking.

Video 4 - The Signs

<https://vimeo.com/919440374/2ed515ec70?share=copy>

In this video, we will talk about how one of the most important ways to combat human trafficking is to be equipped with the ability to recognize potentially dangerous situations, especially online. In this video, we will talk about being wary of job advertisements on sites like Craigslist, Facebook, or other social media platforms that sound too good to be valid with exceptional pay or benefits, especially for jobs like modeling or dancing, and how any online interaction with strangers could be dangerous.

Video 5 - The Resources

<https://vimeo.com/919446289/dd58ae7526?share=copy>

In this video, we talk about different resources that are available to you if you believe you or someone you know is being trafficked and how to find help

Video 6 - The Takeaways

<https://vimeo.com/919444962/aca5d174eb?share=copy>

In this video, we will discuss the different aspects of human trafficking and form a stronger understanding of what it actually is. We will then review the key takeaways from each chapter.
